

My Internet Safety Rules

The internet is a wonderful educational tool that opens up a world of information. However, the internet can be a dangerous tool if used incorrectly.

Always use the internet when a parent or other adult is around.

- 1 I will never give anyone my name or address unless my parents know about it.
- 2 I will tell my parents or teachers if I see something that does not seem right for me to see.
- 3 I will never agree to get together with someone I meet online.
- 4 I will talk with my parents and teachers about rules for going online. I will follow those rules.

My parent(s) or guardian(s) and I have read and discussed these Internet Safety Rules together.

I promise to follow these rules.
